

# Bois Rond Auberge

This sector has been exploited only recently and only a dozen of boulders have been opened, most in the 7th grade. The access is from the equestrian centre (big parking lot after the classical sector of Bois Rond).

## Topo

## Top 10 boulders

- 25 **Les Dents de la Belle-Mer**, 7a(7a+), 33 repeats
- 19 **Les Évadés**, 6c+, 14 repeats
- 29 **Le Grand Requin Blanc**, 7b, 14 repeats
- 9 **Incassable**, 7a+(7a), 13 repeats
- 28 **Le Requin Lutin**, 7a+, 13 repeats
- 2 **Didgeridoo (droite)**, 6b(6b+), 10 repeats
- 26 **Les Dents de la Mer**, 6c(6b+), 10 repeats
- 1 **Didgeridoo**, 7a, 9 repeats
- 6 **St Anger**, 7a+(7a), 6 repeats
- 25b **Les Dents de la Belle-Mer (gauche)**, 7b(7b+), 5 repeats

## Boulders

- 1 **Didgeridoo**, 7a, Tony Fouchereau, slightly overhanging, mantle, sitstart, 9 repeats  
On a small boulder near the equestrian centre. Sitstart on the left of the overhang with the arete left hand, climb the overhang on crimps and exit at the top of the boulder as for Didgeridoo droite. Access : from the equestrian centre, follow Le Chemin de l'Auberge for 200m; the boulder is 20m from the path.
- 2 **Didgeridoo (droite)**, 6b(6b+), Tony Fouchereau, slightly overhanging, crack, sitstart, 10 repeats  
On a small boulder near the equestrian centre. Sitstart in the middle of the overhang with a pocket left hand, dyno to the crack above, climb this one to the left and exit at the top of the boulder as for Didgeridoo. Access : from the equestrian centre, follow Le Chemin de l'Auberge for 200m; the boulder is 20m from the path.

**3 DJ Ridoo**, 6b+, *Loïc de Saint Etienne*, slightly overhanging, crack, sitstart, *1 repeats*  
Sitstart in the middle of the overhang as for Didgeridoo droite but traverse to the right and exit at the top of the boulder.

**3' DJ Ridoo Joue du Didgeridoo**, 7b, *Loïc de Saint Etienne*, slightly overhanging, bidoigts, sitstart, *1 repeats*  
Sitstart with the arete left hand as for Didgeridoo, traverse to the right with bidoigts and exit in DJ Ridoo.

**4 Impitoyable (raccourci)**, 6c+, *François-Xavier Joubert, Gérald Coste, Tony Fouchereau*, traverse fltr, slopers, sitstart, *1 repeats*  
On the boulder of Incassable. Sitstart completely left, traverse to the right on slopers and exit by a mantle at the tree. Access : from the parking lot of the equestrian centre, follow La Route d'Arbonne à Achères for 250m; the boulder is 30m above, shortly after a TMF mark on a tree.

**4-7 Invulnérable**, 8b, *Nicolas Gensollen*, traverse fltr, slightly overhanging, sitstart, *0 repeats*  
sitstart completely left, traverse to the right and downclimb at the tree as for Impitoyable and exit to the left of the angle in Incollable.

**4-7b Impitoyable**, 8a(7c+), *Tony Fouchereau*, traverse fltr, slopers, dyno, *2 repeats*  
On the boulder of Incassable. Sitstart completely left, traverse to the right on slopers, downclimb at the tree, join the arete with big moves and exit by this one as for Incassable. Access : from the parking lot of the equestrian centre, follow La Route d'Arbonne à Achères for 250m; the boulder is 30m above, shortly after a TMF mark on a tree.

**4-8 Impitoyable (par le haut)**, 7a+, *Jean-Christophe Guibout*, traverse fltr, slopers, sitstart, *1 repeats*  
On the boulder of Incassable. Sitstart completely left, traverse to the right on slopers, downclimb 1m after the angle, traverse with top holds in the tunnel up to the big hold and exit on the small boulder on the back as for Les Fidèles Cassent Trop. Access : from the parking lot of the equestrian centre, follow La Route d'Arbonne à Achères for 250m; the boulder is 30m above, shortly after a TMF mark on a tree.

**4-9 Impitoyable (aller-retour par le haut)**, 7b+, *Jean-Christophe Guibout*, traverse, slopers, sitstart, *1 repeats*  
On the boulder of Incassable. Sitstart completely left, traverse to the right on slopers, downclimb 1m after the angle, traverse with top holds in the tunnel up to the big hold and make the back traverse to the starting point. Access : from the parking lot of the equestrian centre, follow La Route d'Arbonne à Achères for 250m; the boulder is 30m above, shortly after a TMF mark on a tree.

**5 Intouchable**, 7b(7a+), *François-Xavier Joubert, Tony Fouchereau*, slightly overhanging, traverse frtl, slopers, *3 repeats*  
On the boulder of Incassable. Sitstart at the angle of Incassable, make a big dyno to a good hold on the left, traverse with top slopers after the tree and exit by a mantle at the end of the left face. Access : from the parking lot of the equestrian centre, follow La Route d'Arbonne à Achères for 250m; the boulder is 30m above, shortly after a TMF mark on a tree.

**6 St Anger**, 7a+(7a), *Yano Salaün*, slightly overhanging, dyno, sitstart, *6 repeats*  
On the boulder of Incassable. Sitstart at the angle of Incassable (or 1m to the left), make a big dyno to a good hold and exit by a mantle just after the tree. Access : from the parking lot of the equestrian centre, follow La Route d'Arbonne à Achères for 250m; the boulder is 30m above, shortly after a TMF mark on a tree.

**7 Incollable**, 8a+(8a), *Nicolas Gensollen, Jérôme Chaput*, overhang, sitstart, *3 repeats*  
Sitstart to the left of the arete with a big hold and exit just left of the angle of Incassable; morpho.

**8 Les Fidèles Cassent Trop**, 7a(7a+), *Jérémy Lecouvert*, traverse fltr, slopers, crimps, *0 repeats*  
On the boulder of Incassable, near the bottom of the slope, above La Route d'Arbonne à Achères. Sitstart with a pocket left hand 2m to the left of the angle, traverse with a flat hold, pass the arete, continue to traverse with low holds in the corridor up to the sitstart of Intouchable prolongé, take crimps on the back boulder and exit by a mantle on that one, on the other side of the tunnel. Access : from the parking lot of the equestrian centre, follow La Route d'Arbonne à Achères for 250m; the boulder is 30m above, shortly after a TMF mark on a tree.

**9 Incassable**, 7a+(7a), *François-Xavier Joubert, Tony Fouchereau*, arete, crimps, dyno, *13 repeats*  
Near the bottom of the slope, above La Route d'Arbonne à Achères. Sitstart at the angle, climb that one and dyno for a crimp right hand which has partially broken off. Access : from the parking lot of the equestrian centre, follow La Route d'Arbonne à Achères for 250m; the boulder is 30m above, shortly after a TMF mark on a tree.

**9-5 Intouchable (prolongé)**, 7c(7c+), *Tony Fouchereau*, traverse frtl, slightly overhanging, slopers, *0 repeats*  
On the boulder of Incassable. Sitstart in the tunnel on the right of the second face, traverse with top holds, downclimb at the angle, make a big dyno as for Intouchable, traverse with top slopers after the tree and exit by a mantle at the end of the left face. Access : from the parking lot of the equestrian centre, follow La Route d'Arbonne à Achères for 250m; the boulder is 30m above, shortly after a TMF mark on a tree.

**10 Carotte Magique**, 6a, *Kobe Bellinkx*, prow, mantle, monos, *1 repeats*  
On the boulder to the left of the one with Incassable. Standing start with a mono right hand and exit by a mantle above.

**11 Azygos**, 5+, *Rémi Bahuon*, arete, slightly overhanging, sitstart, *1 repeats*  
On the boulder just right of Incassable, near the bottom of the slope, above La Route d'Arbonne à Achères. Sitstart at the right arete, climb that one and exit by a mantle at the top of the boulder. Access : from the parking lot of the equestrian centre, follow La Route d'Arbonne à Achères for 250m; the boulder is 30m above, shortly after a TMF mark on a tree.

**14 Moule Dog**, 6b, *Lionel Fraissard*, pillar, crack, sitstart, *0 repeats*

On the boulder 20m underneath Les Évadés. Sitstart with a crimp right hand and exit with the crack.

**15 Oreille Gauche**, 4+, *Lionel Fraissard*, slightly overhanging, mantle, sitstart, *0 repeats*

Just left of Moon Dog, on a boulder 20m underneath Les Évadés.

**16 Moon Dog (assis)**, 6b, *Lionel Fraissard*, slightly overhanging, mantle, sitstart, *0 repeats*

20m underneath Les Évadés. Sitstart and exit without the flake of Oreille Droite.

**16 Moon Dog**, 6a, *Lionel Fraissard*, slightly overhanging, mantle, *0 repeats*

On a boulder 20m underneath Les Évadés. Standing start and exit without the flake of Oreille Droite.

**16b Métro Bloblo Dodo**, 6c, *Lionel Fraissard*, traverse fltr, sitstart, *0 repeats*

On a boulder 20m underneath Les Évadés. Sitstart on an evident step, traverse to the right and exit in Moon Dog.

**17 Oreille Droite**, 4+, *Lionel Fraissard*, wall, crimps, *0 repeats*

Right problem on a boulder 20m underneath Les Évadés.

**18 Les Évadés (prolongé)**, 6c(7a), *Tony Fouchereau*, traverse frtl, roof, slopers, *4 repeats*

Sitstart at a big piercing in the overhang, traverse to the right in the roof as for Les Évadés, continue to traverse at a small round prow and exit by a mantle in the left face. Access : from the equestrian centre, follow Le Chemin de l'Auberge for 200m, turn right at the first boulders and follow a small path for 300m. The boulder is 30-40m above.

**18 Les Évadés des Bas-Fonds**, 7a+(7a), *Manuel Marquès*, traverse frtl, roof, *0 repeats*

Sitstart at a big piercing in the overhang, traverse to the left under the roof, climb the crack with jamming moves and exit by a mantle on the "nose" as for Les Évadés prolongé.

**19 Les Évadés**, 6c+, *Stéphane Carcone*, *Tony Fouchereau*, traverse frtl, slopers, roof, *14 repeats*

In a small roof above the thalweg. Sitstart at a big piercing in the overhang, traverse to the left in the roof and exit by a mantle on the ledge of slopers above. Access : from the equestrian centre, follow Le Chemin de l'Auberge for 200m, turn right at the first boulders and follow a small path for 300m. The boulder is 30-40m above.

**20 La Ligne Verte**, 4, *Filo Benjamin-Nunes*, *Tony Fouchereau*, wall, sitstart, *0 repeats*

On the right of Les Évadés, in a small roof above the thalweg. Sitstart on the right between two small boulders and exit in the wall. Access : from the equestrian centre, follow Le Chemin de l'Auberge for 200m, turn right at the first boulders and follow a small path for 300m. The boulder is 30-40m above.

**20b La Ligne Verte (en traversée)**, 6c+, *Tony Fouchereau*, traverse fltr, roof, sitstart, *0 repeats*

In a small roof above the thalweg. Sitstart left at the round prow, traverse to the right in the overhang (back traverse of Les Évadés), join the start of La Ligne Verte and exit by that one. Access : from the equestrian centre, follow Le Chemin de l'Auberge for 200m, turn right at the first boulders and follow a small path for 300m. The boulder is 30-40m above.

**21 Le Réta à Lola**, 7a, *Pepito*, prow, mantle, sitstart, *1 repeats*

On the backside of the boulder of Les Évadés, in the South face above the thalweg. Sitstart to the left of the overhang, climb the prow to the right on slopers and exit by a mantle just right of the gully.

**22 Bip Bop à Lola**, 6c+, *Blokeur*, *Pepito*, -, traverse frtl, sitstart, *0 repeats*

On the backside of the boulder of Les Évadés, in the South face above the thalweg. Sitstart completely right, traverse on bosses above the overhang and exit at the gully with a good pocket.

**22 Avatar**, 7b, *Tony Fouchereau*, wall, crimps, sitstart, *4 repeats*

Left problem on 15m above 15m above Les Évadés up the hill from the thalweg. Sitstart without crash-pad on the left of the arete with small underclings, climb the slightly overhanging wall and exit at the top as for Éva-Tard.

**23 Éva-Tard**, 6a, *Tony Fouchereau*, arete, slopers, sitstart, *3 repeats*

Right problem on 15m above 15m above Les Évadés up the hill from the thalweg. Sitstart to the right with a good pocket left hand and the arete right hand, climb that one on slopers and exit at the top as for Avatar.

**24 Le Toit du Repli**, 6b, *Pepito*, *Blokeur*, roof, sitstart, *3 repeats*

Sitstart of the roof 30m to the South-West of Le Grand Requin Blanc.

**25 Les Dents de la Belle-Mer**, 7a(7a+), *Olivier Gx*, *Tony Fouchereau*, slightly overhanging, pockets, sitstart, *33 repeats*

In the overhanging prow to the opposite of Le Grand Requin Blanc, 50m above the boulder of Évadés. Sitstart on the left of the prow with the good pocket right hand and exit directly above. Access : from the equestrian centre, follow Le Chemin de l'Auberge for 200m, turn right at the first boulders and follow a small path for 300m. The boulder is near the top of the crest.

**25b Les Dents de la Belle-Mer (gauche)**, 7b(7b+), *Olivier Gx*, *Tony Fouchereau*, slightly overhanging, pockets, sitstart, *5 repeats*

In the overhanging prow to the opposite of Le Grand Requin Blanc, 50m above the boulder of Évadés. Sitstart on the left of the prow with a crimp left hand by convention and exit directly above. Access : from the equestrian centre, follow Le Chemin de

l'Auberge for 200m, turn right at the first boulders and follow a small path for 300m. The boulder is near the top of the crest.

**26 Les Dents de la Mer**, 6c(6b+), *Marc Lehner, Louis Dalençon*, prow, slightly overhanging, sitstart, *10 repeats*

Right problem in the overhanging prow to the opposite of Le Grand Requin Blanc, 50m above the boulder of Évadés. Sitstart on the right with the arete right hand, climb the overhanging prow and exit at the top. Access : from the equestrian centre, follow Le Chemin de l'Auberge for 200m, turn right at the first boulders and follow a small path for 300m. The boulder is near the top of the crest.

**27 Le Requin Marteau**, 6a, *Tony Fouchereau*, slightly overhanging, mantle, sitstart, *3 repeats*

Left problem in the overhanging prow of Le Grand Requin Blanc, to the opposite of Les Dents de la Mer. Low sitstart in the pit with two good holds and exit directly in the left face. Access : from the equestrian centre, follow Le Chemin de l'Auberge for 200m, turn right at the first boulders and follow a small path for 300m. The boulder is near the top of the crest.

**28 Le Requin Lutin**, 7a+, *Marc Lehner, Louis Dalençon*, prow, mantle, sitstart, *13 repeats*

Left problem in the overhanging prow to the opposite of Les Dents de la Mer, 50m above the boulder of Évadés. Low sitstart in the pit with two good holds, climb the overhanging prow and exit by a mantle in the left face with a crimp. Access : from the equestrian centre, follow Le Chemin de l'Auberge for 200m, turn right at the first boulders and follow a small path for 300m. The boulder is near the top of the crest.

**29 Le Grand Requin Blanc**, 7b, *Marc Lehner, Louis Dalençon*, prow, slightly overhanging, sitstart, *14 repeats*

Right problem in the overhanging prow to the opposite of Les Dents de la Mer, 50m above the boulder of Évadés. Low sitstart in the pit with two good holds, climb the overhanging prow and exit completely right. Access : from the equestrian centre, follow Le Chemin de l'Auberge for 200m, turn right at the first boulders and follow a small path for 300m. The boulder is near the top of the crest.
