

Rocher des Souris

From the parking lot of La Croix Saint-Jérôme, follow Le Chemin de la Vallée Close for 300m. The small sector of Rocher des Souris is just before the Chemin de la Plaine de Jean des Vignes (the big boulders of "Yogi" and "Extraction Terrestre" can easily be seen on the right).

Topo

Top 10 boulders

- 4 **Yoga**, 7a(6c), 148 repeats
- 5 **Yogi**, 7b, 143 repeats
- 10 **Extraction Terrestre**, 7a+, 140 repeats
- 10b **Vis-à-Vis**, 7a, 101 repeats
- 12 **Prouesse**, 7b(7b+), 63 repeats
- 14 **Téléphone Maison**, 7a+, 35 repeats
- 6 **Le Surplomb Rouge**, 6a(6a+), 33 repeats
- 5b **Yoguignol**, 7b, 26 repeats
- 20 **Kric-Crak**, 7b, 18 repeats
- 50 **Mistoufly**, 7a, 14 repeats

Boulders

- 1 **Oxygène**, 7b, , traverse fltr, 6 repeats

On an isolated boulder at the bottom of the slope. Start at the highest point, traverse a descending face with big pockets, pass the angle and exit at the end of the second face by a mantle. Access : before Yogi, follow a small path at the bottom of the hill for 100m (in direction of the South-West); the boulder can be found 30m above.

- 2 **Oxygène (retour)**, 7a+, , traverse frtl, 3 repeats

Back traverse of Oxygène. Start completely right on slopers, traverse in a first face, pass the angle, continue on a second face with big pockets and exit at the second angle. from Yogi, Access : before Yogi, follow a small path at the bottom of the hill for 100m (in

direction of the South-West); the boulder can be found 30m above.

2b Oxygène Actif, 7c, *Bernard Théret*, traverse, 3 repeats
Oxygène back and there (exit by a mantle on the right).

4 Yoga, 7a(6c), *Pepito*, roof, sitstart, 148 repeats
To the right of Yogi, along the 25 Bosses path, on the right at the crossroad beyond the parking lot.

4b Yoga (en traversée), 7b+(7c), *Tony Fouchereau*, overhang, traverse frtl, sitstart, 3 repeats
Sitstart in Yoga, continue to traverse to the left on the ledge of the roof (without the top holds by convention), pass Yogi and Yoguignol, take the good holds of Le Surplomb Rouge and exit 2m50 further just left of a black n°30 painted on the rock.

5 Yogi, 7b, *Christophe Laumone*, roof, 143 repeats
To the left of Yoga, along the 25 Bosses path, on the right at the crossroad beyond the parking.

5b Yoguignol, 7b, *François-Xavier Joubert*, *Laurent Raviot*, *Tony Fouchereau*, roof, 26 repeats
Start as for Yogi but go to the left at the ledge of the roof, take a round hold on the left of the angle and exit with the arete right hand.

6 Le Surplomb Rouge, 6a(6a+), , overhang, 33 repeats
Central problem, marked with a red arrow, with a low start in the overhang to the left of Yogi.

7 -, 5+, , overhang, 6 repeats
To the left of Suplomb Rouge, on the boulder of Yogi.

8 -, 5+, , wall, arete, 6 repeats
On the left face of the boulder of Yogi.

10 Extraction Terrestre, 7a+, *Bernard Théret*, roof, prow, sitstart, 140 repeats
Direct prow just right of Le Chemin de la Plaine de Jean des Vignes, behind Yogi; morpho. NB : the original problem was a traverse to the left and a direct exit by the prow (7b).

10b Vis-à-Vis, 7a, *Pepito*, sitstart, pockets, overhang, 101 repeats
Just right of Le Chemin de la Plaine de Jean des Vignes, behind Yogi. Sitstart from the jug and reach the exit of Extraction Terrestre by a hook left before finishing right.

10c Extraction Lunaire, 6b, , roof, pockets, sitstart, 11 repeats
To the left of Le Chemin de la Plaine de Jean des Vignes, 20m after Yogi. Sitstart on the right as for Extraction Terrestre, but continue to traverse under the roof and exit on the left of the overhang.

11 Extraction Martienne, 6a+, *Loïc de Saint Etienne*, *Guillaume Mainbourg*, roof, 2 repeats
On the left face of the boulder of Extraction Terrestre. Start under the roof and exit at the top of that one.

12 Prouesse, 7b(7b+), *Patrick Sercki*, *Jo Montchaussé*, prow, 63 repeats
Along the 25 Bosses path, 30m above Yogi.

14 Téléphone Maison, 7a+, *Bernard Théret*, traverse frtl, pockets, slopers, 35 repeats
On the boulder to the right of Prouesse, 30m above Yogi. Sitstart to the right of the arete, traverse to the left on jugs followed by slopers and exit by a mantle at a small tree.

16 Musculus, 6c(7a), *Tony Fouchereau*, *Pierre Délas*, traverse fltr, mantle, sitstart, 0 repeats
On a boulder with a small tunnel, along the 25 Bosses path, 30m above Prouesse. Sitstart on the left face, traverse on slopers, pass through the taunnel (without touching the back boulder) and exit by a mantle just after.

17 Ratatouille, 7b(7b+), *Tony Fouchereau*, roof, sitstart, 6 repeats
Evident roof with marbled holds, along the 25 Bosses path, 30m above the tunnel of Musculus. Sitstart on the right with an ear-shaped hold right hand and a vertical hold left hand, dyno to the left of the roof and exit above with a good pocket.

18 Le Petit Velociraptor, 6c, , wall, 9 repeats
Right problem on the boulder of Kric-Crak, in the evident overhang to the left of the 25 Bosses path, 20m from Ratatouille in the North face. 6c+ by starting to the left from the jug of Clic-Clac.

18' Velociraptor (droite), 7a+(7b), *Manuel Marquès*, wall, crack, 1 repeats
Right problem on the boulder of Kric-Crak, in the evident overhang to the left of the 25 Bosses path, 20m from Ratatouille in the North face. Start as for Le Petit Velociraptor but continue by the crack on the right face.

19 Clic-Clac, 5-(5), , slightly overhanging, sitstart, 0 repeats

Sitstart in the overhang to the right of Kric-Crak, and exit directly.

20 Kric-Crak, 7b, *Philippe Dumez*, prow, 18 repeats

Evident overhang to the left of the 25 Bosses path, 20m from Ratatouille in the North face. Standing start to the right (a sitstart is also possible with the same grade), climb the overhanging prow, take the arete left hand and exit in the right face with a crimp right hand.

21 Velociraptor, 7c, *François-Xavier Joubert, Frédéric Bouyge, Tony Fouchereau*, slightly overhanging, prow, dyno, 13 repeats

Evident overhang to the left of the 25 Bosses path, 20m from Ratatouille in the North face. Start to the left of the overhang with a good vertical crimp left hand, climb the roof to the right for 2m with a big dyno and exit in Kric-Crak with the arete left hand.

21b Velociraptor (en traversée), 7b+(7c), *Tony Fouchereau*, slightly overhanging, traverse fltr, 3 repeats

Evident overhang to the left of the 25 Bosses path, 20m from Ratatouille in the North face. Start to the left of the overhang as for Velociraptor but after the big dyno, downclimb up to the sitstart of Kric-Crak, pass the angle and exit above in Le Petit Velociraptor (without using the small boulders on the ground).

22 L'Homme Volant, 7c, *Pierre Délas, Cédric Chambellan, Tony Fouchereau*, arete, slopers, sitstart, 7 repeats

Small slightly overhanging arete underneath Vélociraptor, in the upper part of the sector. Sitstart with the two hands in a moon-shaped hold, climb the arete diagonally to the left and exit at its top.

23 La Souris Volante, 5, , arete, 0 repeats

Left arete on the boulder of L'Homme Volant, in the upper part of the sector.

24 Le Toit Tendu, 6b, *Tony Fouchereau*, roof, mantle, 0 repeats

10m to the opposite of the exit of La Souris Mécanique. Standing start with an undercling left hand, catch the lip of the roof and mantle up above.

24' Le Toit Tendu (assis), 7a, *Tony Fouchereau*, roof, mantle, sitstart, 4 repeats

10m to the opposite of the exit of La Souris Mécanique. Sitstart in the back of the roof with a thin crack right hand, climb the overhang to the left, catch the lip of the roof and mantle up above.

25 Un Trou de Souris, 6b(6a), *Tony Fouchereau*, roof, sitstart, slopers, 0 repeats

Several meters underneath L'Homme Volant, in the upper part of the sector.

26 La Petite Souris, 3, , slab, 0 repeats

Right problem on the highest boulder up the slope, above Kric-Crak.

27 La Dalle centrale des Souris, 5+, , slab, 0 repeats

Central slab on the highest boulder up the slope, above Kric-Crak.

28 La Grande Dalle des Souris, 6c, *Philippe Dumez*, slab, top rope, 0 repeats

High slab, starting at a big jug, on the highest boulder up the slope, above Kric-Crak.

29 L'Angle des Souris, 6b, , arete, slab, expo, 0 repeats

Angle with a tree on the highest boulder up the slope, above Kric-Crak.

30 -, 6a, , wall, 0 repeats

Right problem on the West face of the highest boulder up the slope, above Kric-Crak.

31 -, 5, , wall, 0 repeats

Central problem on the West face of the highest boulder up the slope, above Kric-Crak.

32 -, 3, , wall, 0 repeats

Left problem on the West face of the highest boulder up the slope, above Kric-Crak.

34 La Souris Transgénique, 7b(7b+), *Tony Fouchereau*, traverse frtl, wall, expo, 0 repeats

On the boulder to the opposite of La Souris Mécanique, between L'Homme Volant and La Souris Verte. Sitstart on the right of the boulder, low traverse above the corridor and exit completely left in T'Inquiète.

35 -, 4, , wall, 0 repeats

Right problem on the boulder to the opposite of La Souris Mécanique, between L'Homme Volant and La Souris Verte.

36 -, 4+, , wall, 0 repeats

Second problem from the right on the boulder to the opposite of La Souris Mécanique, between L'Homme Volant and La Souris Verte.

37 -, 5, *Philippe Dumez*, wall, 0 repeats

Direct wall on the boulder to the opposite of La Souris Mécanique, between L'Homme Volant and La Souris Verte.

38 T'Inquiète, 6c(6c+), *Philippe Dumez*, wall, arete, expo, *0 repeats*

Left angle on the boulder to the opposite of La Souris Mécanique, between L'Homme Volant and La Souris Verte. Start at the tree and exit directly without touching that one.

40 La Souris Mécanique (sortie directe), 7a(6c+), *Tony Fouchereau*, traverse fltr, pockets, wall, *0 repeats*

On a long boulder with characteristic wide holes, between L'Homme Volant and La Souris Verte. Sitstart at the left arete, traverse on big pockets and slopers and exit before the right angle in La Directe.

40b La Souris Mécanique, 6c(6b+), *Tony Fouchereau*, traverse fltr, pockets, *0 repeats*

On a long boulder with characteristic wide holes, between L'Homme Volant and La Souris Verte. Sitstart at the left arete, traverse on big pockets and slopers and exit after the right angle in L'Envers de la Mécanique.

41 -, 5, , arete, *0 repeats*

Left angle on the long boulder with characteristic wide holes of La Souris Mécanique, underneath L'Homme Volant.

42 La Fissure Mécanique, 4+, *Philippe Dumez*, crack, *0 repeats*

Left problem on the principal face of the long boulder with characteristic wide holes of La Souris Mécanique, between L'Homme Volant and La Souris Verte.

43 Tourne à Gauche, 6b, *Philippe Dumez*, wall, *0 repeats*

Central problem on the principal face of the long boulder with characteristic wide holes of La Souris Mécanique, between L'Homme Volant and La Souris Verte.

44 La Directe, 6c(6a+), *Fabrice Frébourg*, *Philippe Dumez*, wall, *0 repeats*

Right problem on the principal face of the long boulder with characteristic wide holes of La Souris Mécanique, between L'Homme Volant and La Souris Verte.

45 L'Envers de la Mécanique, 4, , arete, *0 repeats*

Right angle on the long boulder with characteristic wide holes of La Souris Mécanique, between L'Homme Volant and La Souris Verte.

46 Mouse Moussue, 2+, , slab, *0 repeats*

Warming-up problem on the East face of the boulder to the opposite of La Souris Verte.

47 La Flèche Orange, 3, , slab, *0 repeats*

Slab to the opposite of La Souris Verte.

48 La Souris Verte, 7a, *Philippe Dumez*, prow, expo, sitstart, *11 repeats*

On a big boulder up the slope, to the left of the sector. Sitstart to the right, traverse to the left and exit directly by the prow, using flat pockets and crimps.

49 Face de Rat, 6c, *Philippe Dumez*, wall, top rope, *0 repeats*

Just left of La Souris Verte.

50 Mistoufly, 7a, *Philippe Dumez*, wall, pockets, dyno, *14 repeats*

To the left of La Souris Verte. Dyno to the big jug and exit on the left.

50' Mistoufly (assis), 7a+(7b), *Tony Fouchereau*, slightly overhanging, dyno, sitstart, *0 repeats*

Sitstart on the right in La Souris Verte, get to the jug of Mistoufly and exit in that one.

50b Mistoufly (droite), 7a+, *Philippe Dumez*, wall, dyno, top rope, *0 repeats*

To the left of La Souris Verte. Dyno to the big jug and exit in Face de Rat.

51 -, 3+, , wall, *0 repeats*

Left problem on the boulder of La Souris Verte. Start at big jug and exit directly.

52 L'Arête Sud, 6c, *Philippe Dumez*, arete, top rope, *0 repeats*

Left arete on the boulder of La Souris Verte.

53 La Souris Jaune, 3, , slab, *0 repeats*

On the West face of the boulder of La Souris Verte.

54 Le Trou de Derrière, 6c(7a), *Julien Gasc*, *Pierre Délas*, *Gérald Coste*, slightly overhanging, arete, dyno, *0 repeats*

On the back face of the boulder to the left of La Souris Verte. Standing start in a pit in the middle of the overhang with the two hands on a moon-shaped hold, take the arete and exit without touching the boulders on the left.

55 Le Souriceau, 4, , slab, *0 repeats*

Tiny slab to the opposite of L'Arête Sud, to the left of L'Arête Sud.

56 Le Poing Levé de Tommie Smith, 7b(7b+), *François-Xavier Joubert, Tony Fouchereau*, slightly overhanging, expo, *0 repeats*
Evident overhang to the right and underneath Trou de Derrière. Le Trou de Derrière. Standing start with a good pocket left hand and a crimp right hand, traverse slightly to the right and exit above with another good pocket.

57 Le Poing Levé de Tommie Smith (assis), 7b+(7c), *François-Xavier Joubert, Tony Fouchereau*, slightly overhanging, expo, sitstart, *0 repeats*

Evident overhang to the right and underneath Trou de Derrière. Le Trou de Derrière. Sitstart (without crash-pad) to the left of the boulder, and exit as for Le Poing Levé de Tommie Smith.

58 Bernard, 6c(6b+), *François-Xavier Joubert, Tony Fouchereau*, slightly overhanging, *0 repeats*

Left problem on a boulder 20m underneath Le Poing Levé de Tommie Smith, above Le Chemin de la Plaine de Jean des Vignes. Standing start to the left and exit to the left of the arete without touching the back boulder.

59 Bianca, 7b(7a+), *Tony Fouchereau*, slightly overhanging, mantle, slab, *0 repeats*

Right problem on a boulder 20m underneath Le Poing Levé de Tommie Smith, above Le Chemin de la Plaine de Jean des Vignes. Standing start in the belly to the right of Bernard and exit in the slab above.

60 Le Bracelet Magique, 6b(6c), , traverse frtl, mantle, sitstart, *0 repeats*

On the backside of a boulder 10m above le Chemin de la Plaine de Jean des Vignes. Sitstart at the right angle with a crimp right hand, traverse on the ledge using a characteristic pierced pocket and exit by a mantle on the left angle.
